FORMER SHERIFF COMES OUT WITH THE FACTS

PROMINENT MAN SAYS MONEY COULDN'T BUY GOOD TANLAC DID FOR HIM.

"Money could not buy the good Tanlac has done me and I gladly recommend it for what it has done in my case," said Hon. Archie R. Anderson, ex-sheriff of Harris County, Texas.

Mr. Anderson is unquestionably not only one of the best known but also one of the most popular men that ever held office in Texas. After serving as a deputy sheriff of Harris County for 12 years he was elected chief of police of Houston. He had occupied this office only a short time when the sheriff of Harris County died. Mr. Anderson's friends then persuaded him to make the race for the unexpired term of sheriff, to which he easily was elected. He was honored with re-election seven different times and served the people in this most important office fifteen consecutive years. Four years ago Mr. Anderson declined re-election and retired to private life. He cast his lot among the people of Houston and is a large property owner and foremost citizen of that city.

"I was in a run down condition," continued Mr. Anderson, "and had no appetite at all. I could hardly sleep at night and did not feel like getting up in the morning I felt so tired. I had the worst form of indigestion, suffered all the time with gas on my stomach and was continually belching up undigested food. I had to take my coffee without sugar, for when I drank it with sugar I would belch for hours. I would bloat and swell up like I was poisoned and suffered with neuralgic pains of the worst sort, and nothing seemed to help me except in a temporary way. I just can't tell how I did suffer in the past four years and up until a few weeks ago when I began taking Tanlac.

"When I read the testimonials of some who had been relieved of troubles like mine I felt I just couldn't make a mistake by taking Tanlac, and it has done even more for me than I had expected. I began to feel better after taking my first bottle and I have just now started on my third, and I'm a different man already. I sleep like a log now and eat just any and everything I want without the slightest

discomfort afterwards. I am glad to endorse Tanlac because it does the work, and I'm telling all my friends just what I am telling you. I never felt better in my life than I do since taking Tanlac. I am willing for you to publish my statement and let every suffering person who may wish benefit by my experience with this great medicine."

Tanlac, the master medicine, is sold exclusively by P. B. Speed, Abbeville; A. S. Cade, Bordeaux; J. T. Black, Calhoun Falls; J. H. Bell & Sons, Due West; Cooley & Speer, Lowndesville; R. M. Fuller & Co., McCormick; J. W. Morrah & Son, Mount Carmel; Covin & LeRoy, Wilmington. Price, \$1 per bottle straight. —Adv.

SUNDAY, NOVEMBER 4, ADOPTED AS STATE-WIDE GO-TO-SUNDAY-SCHOOL DAY

Spartanburg, S. C., Sept. 5—Sunday, November 4, 1917, has been adopted by the South Carolina Sun-

day School Association as State-wide Go-to-Sunday School Day for South Carolina. This particular date, it has been announced, will be observed throughout North America as International Go-to-Sunday School Day.

In the official call for mobilization, Marion Lawrence, General Secretary of the International Sunday School Association, states as some of the objectives of the day:

1. To enlist recruits for the Sunday School.
2. To stimulate all Sunday Schools to greater activity.
3. To advertise to the community that the Sunday School is for persons of all ages.

4. To impress upon the church a larger sense of its responsibility and opportunity in the Sunday School.

5. To impress upon all the importance of lining up the Sunday Schools to help our government in such matters as Bible study among the soldiers, Red Cross promotion, and food conservation through the joint committee of the Sunday School Council and our Association.

6. To inaugurate plans whereby each local church and Sunday School may be kept in helpful, sympathetic touch with its members who go to the front in this world war.

7. To impress the great truth upon the young that, while this war is changing the men of the earth and overturning customs and institutions, God and His Word, Jesus Christ and His saving power, man's individual responsibility for Christian living, abide and ever will abide unchanged.

Go-to-Sunday School Day was observed for the first time in South Carolina last February. In order to unite with the other states, the South Carolina Sunday School Association, according to announcement by R. D. Webb, General Secretary, has moved up the annual date a few months. Last February the day was observed by hundreds of schools throughout South Carolina, and was a great success. A large number of schools more than doubled their regular attendance and hundreds of people were retained as permanent members. According to a most conservative estimate, there was an increase of 75,000 in the attendance on that day. It is expected that the observance of Go-to-Sunday School Day in November will be more general throughout the State than it was in February.
